<p>Proposition 13 vote "No". Heavy ideological influence of pro-abortion and anti-family entities (CTA and NEA unions) have squandered and redirected school funds that were intended for repairs, renewals, and replacements."(E CSection17070.75). This unconscionable redirection of school funding for ideological purposes should not be honored. In addition, the \$6.9billion of annual income from the State Lotto dedicated to schools has been squandered by the political machinery of these entities conducting social-justice experiments on California's public-school children.
