Proposition 13 vote "No" . Heavy ideological influence of pro-abortion and anti-family entities (CTA and NEA unions) have squandered and redirected school funds that were intended for 'repairs, renewals, and replacements.' (EC Section 17070.75). This unconscionable redirection of school funding for ideological purposes should not be honored. In addition, the \$6.9billion of annual income from the State Lotto dedicated to schools has been squandered by the political machinery of these entities conducting social-justice experiments on California's public-school children.	Democratic Party Platform: "...abortion must be part of comprehensive...health care." Republican Party Platform "The unborn child has a fundamental right to life which cannot be infringed" For JUDGES – WE RECOMMEND: JUDGEVOTERGUIDE.COM
