**Please note:** For questions that have a Yes/No answer, “Yes” indicates agreement with the California ProLife Council. We would also appreciate any statements or letters to your constituents on these issues, and any background on your campaign.

1. **Statutory Protection for Unborn Children** – *Roe-v-Wade, Doe-v-Bolton, and Planned Parenthood-v-Casey together mandate abortion throughout all nine months of pregnancy, with no meaningful exceptions.*

Do you favor any restrictions on abortion? **Please check one.**

- No restrictions on abortion for all nine months (Planned Parenthood’s position)
- No restrictions prior to viability, then abortion should be disallowed
- Abortion should be allowed only to prevent the death of the mother, in cases of incest, and in cases of forcible rape reported to law enforcement authorities within seven days.
- Abortion should be allowed only to prevent death of the mother (CPLC position)
- Abortion should be disallowed in all cases

Other (please explain)

- protect the lives of infants born alive during a failed abortion attempt

Would you vote to prevent the use of tax funds for abortions other than to prevent the death of the mother?
